PRESS NOTE

International Women's Day celebrations: Health Camp

Andhra Pradesh Information Commission today organised a Health Camp for its women employees with the support of Aarogyasri Health Care Trust, Government of Telangana, as part of International Women's Day celebrations, in the premises of the Information Commission at Hyderabad.

Shri M. Ratan, IPS (Retd.), Chief Information Commissioner (FAC) while inaugurating the health camp, appreciated the initiative taken by State Information Commissioner Dr. M. Vijaya Nirmala and the efforts made by the Aarogyasri Health Care Trust in conducting the health camp.

Comprehensive preventive health care check-up was performed by the specialist doctors as part of the health camp. About 50 health professionals participated in the health camp.

State Information Commissioner Dr. M. Vijaya Nirmala stated that women employees are busy multitaskers, least concerned about their own health; they do not find time for any health check up. Such health camps greatly benefit them to diagnose any symptoms of ill health at the initial stage itself. Employees of the Information Commission thanked her for taking initiative in organising the health camp.
